

Activity 1: Creation of Potential Discussion Norms

1) Questions to consider:

- What are some guidelines that would foster productive discussions? How might we encourage active participation and active listening?
- How can we make the best use of our weekly one-hour session?
- What might be the best way to ensure that everyone gets the opportunity to contribute? How do we think about issues of identity (e.g. race, class, gender) in the discussion?
- How do we navigate discussing personal topics? What about potentially sensitive and difficult topics?
